

# FOAM BOARD FASTENERS

## Product Name

übertile® XPS Foam Board Fasteners

## Description

An anti-corrosive screw & washers in an easy to handle combo pack. Designed to fasten approved XPS foam backerboards to wooden (studs) framework.

## Washer Description

- 32mm (1- 1/4") diameter
- Designed for XPS board
- Punched Grip Tabs
- Galvanized Finish

## Screw Description

- 40mm (1- 5/8") length
- For wood studs
- #2 Square Head
- Corrosion Inhibiting Finish

## Cautions

Use fasteners only on products which approve the fasteners use by the board manufacturer.

übertile® XPS Foam Board Fasteners shall only be applied to approved surfaces as verified by manufacturer of substrate / backing product.

Always follow substrate manufactures guidelines for fastener placement. This will vary depending on board thickness, type and product application.

NOT for use to fasten to metal framework
